LEADER IN SENIOR LIVING

ALZHEIMER'S SUPPORT GROUP

At Evergreen Community

Evergreen Community is hosting an Alzheimer's Support Group meeting on Wednesday, August 20 at 4:00 p.m. in the Community Room. This gathering is open to all family members and loved ones of those living with Alzheimer's or other forms of dementia.

Support groups offer a place to connect with others who understand the unique challenges of memory loss. Whether you're seeking information, emotional support, or simply a place to talk, this group is here for you.

The group is facilitated by Machele Gilhaus, Director of Evergreen Hospice Care, and provides a safe and welcoming space for conversation, resources, and encouragement.

Please consider joining us. We look forward to walking alongside you on this journey.

SAFETY REMINDER: EXTENSION CORDS IN APARTMENTS

At Evergreen, the safety and well-being of residents is always our top priority. As part of our ongoing commitment to fire prevention, we kindly ask that personal extension cords not be used in resident apartments. If you find that you need an extension cord, please reach out to your Life Coach. We are happy to provide fire marshal-approved cords that meet safety standards. Thank you for your understanding and for helping us maintain a safe living environment for everyone in our community.
